Hey there,
I was reaching out to see if you are interested in renewing your membership with the SCCIAA for 2019. We have revamped a lot of the organization and are offering some great trainings this year…

Crime Stoppers – March 20th

Access, Part 1 – April 17th

Verizon – May 15th

Home Depot Presentation – June 19th

Jodi Arias Debrief – July 17th

Access, Part 2 – September 18th

Since we have yet to finalize our plans for the November and December meetings, we are still taking recommendations so if there is a training you are looking for, let us know!

Perhaps a training on the future NIBRS conversion? Or facial recognition tips and tricks? Advanced Crystal Reports? Send us your ideas!

Also, we update our website regularly with new job postings and upcoming events.

Looking to update your resume? Listing your involvement with a membership organization looks great and shows you want to collaborate with others in your field. Want to take it a step further? This year, many of the board positions will be up for re-election. Just a few things to think about as the year goes on.

Any who, we are excited about the events we have planned for this year! If you choose not to renew, you can always attend the trainings for a nominal fee.

If you would like to renew your membership, you can either submit the application and payment online after you log in or you can fill out the attached application and we can accept checks or credit card payments.

Hope all is well and if you have any questions, feel free to contact myself or any of the board members.

Have a good one!
Kristin
